

Remember this?

Then it's time to get
screened for colon cancer.

Get your colon checked.

Enter for a chance to win a free colonoscopy!

The American Cancer Society is partnering with local hospitals and physicians to sponsor a drawing for free colonoscopies for those in the community who are unable to afford the procedure.

Among those encouraged to enter the drawing are people ages 50 and older or someone with a parent or sibling who has colorectal cancer.

Entries are due March 31, 2010. Call the American Cancer Society at 707-443-2241 for more information.

Beyond the colonoscopy, the hospitals and physicians will not be responsible for medical costs.
